

Certificate of Analysis

Product Name:	Bioeast Polystyrene Particles
Catalog Number:	P0170C
Lot Number:	20220301
Appearance:	White suspension
Concentration:	5%
Particle Size:	178 nm
CV:	<3%
COOH Content:	237 $\mu\text{mol/g}$
Buffer:	Purified Water, 0.05% ProClin 300
Storage:	Store at 2-8 °C for two years. Do not freeze. Keep the vial upright.
Note:	For diagnostic use only. Not intended for therapeutic use.
Quality Department:	Date: 2022.03.10
