

Certificate of Analysis

Product Name:	Bioeast Blue Dyed Polystyrene Particles, Streptavidin
Catalog Number:	DB0300S
Lot Number:	20230413
Appearance:	Dark blue suspension
Concentration:	1 %
Particle Size:	300 nm
CV:	<3%
Coupling Ligand:	Streptavidin
Buffer:	Purified Water, 0.05% ProClin 300
Storage:	Store at 2-8 °C for two years. Do not freeze. Keep the vial upright.
Note:	For diagnostic use only. Not intended for therapeutic use.
